OUT ON THE LIMB with George Vierhus

RINGING BELLS on the Fourth of July is a revived custom stemming from the original clanging of the Liberty Bell in 1776.

In recent years efforts have been made on nationwide basis to get communities to ring their bells at 11 a.m. on the Fourth.

Admittedly in communities such as Campbell where bells of any description are quite scarce, bell ringing on the Fourth, you might say, has been on sort of a muffled note.

Last year, some of you might recall. The Press made a determined effort to get all the bells that could be found in the community to peal out on the Fourth of July.

As a matter of fact, we even assisted Chet and Penny Clever in pulling the bell rope at the Campbell Congregational Church.

That bell, by the way, is the oldest in town, dating from before the turn of the century when the church was located in the building now occupied by the city hall.

Other bells rang out in Campbell last year.

But we think it is safe to say that the noise they made did not carry too far afield.

Even with chimes at the Campbell First Methodist and at St. Lucy's, plus individual bells here and there throughout town, no one had to wear ear muffs because of the din.

We are hopeful that the churches will participate again this year, for we believe that bell-ringing on the Fourth is a tangible and meaningful way to celebrate Independence Day.

A lot better, in our opinion, than setting off a firecracker or two.

Go ahead, call us an old spoil-sport.

But did you ever try to explain the historical significance of a Roman Candle and Independence Day?

-0-

SPEAKING OF BELLS, and we were, those who attended last week's Chamber of Commerce luncheon meeting, witnessed a historical local ceremony when JIM DUFFIELD, C.of C. manager for the last two years, was awarded this community's highest honor, "The Order of the BELL of CampBELL.'

Duffield is the first recipient of this award.

In fact, the "order" was created to recognize Jim's record of achievement in this community.

The induction of Jim into the world's most exclusive order (he is the first and only member) was made at the C of C luncheon, Jim's last in Campbell.

The ceremony included the presentation of the bell, symbolic of the honor and suitably engraved specifying his rank of "bell ringer extraordinary", a ribbon of the order and a certificate of achievement.

Since the ceremony, which, incidentally, was unprecedented in this community and thus those participating were sort of on their own, there have been suggestions made that the "bell" should become a tradition of the

Local churches to ring bells on "4th of July"

The bells of Campbell will ring on the Fourth of July, in commemoration of the 191st signing of the Declaration of Independence.

This year bells will ring from The Congregational Church of Campbell, The First Methodist Church of Campbell and St. Lucy's Church.

In keeping with the national observance of the holiday, Campbell church bells will ring for 10 minutes starting at 11 a.m.

Father John Lally, pastor of St. Lucy's church, is hopeful that by the July 4th holiday observance the new bell tower now under construction at the Winchester site will be in operation, and if so it is promised that "everyone in Campbell" will be able to hear the St. Lucy's contribution to the bells of the nation.

Other church bells ringing on the Fourth include the only "rope-pulled bell", the Congregational Church bell which is the oldest active bell in Campbell, and the Methodist Church chime tower.

GIFT FROM FRIENDS--- Above (left) John Faber presents Jim Duffield (left) with gift. Above (right) Duffield flanked by C of C President George Vierhus (left) and Vice-President Harry Lind opens the gift.

C of C manager shares spotlight with Ernie Nevers at luncheon

By a spontaneous standing ovation, members and guests at the Chamber of Commerce luncheon meeting last Thursday, paid their respects to the record made by Jim Duffield during the past two years as CofC manager.

Duffield, who has resigned his position to accept a similar one in Desert Hot Springs, shared the spotlight at the luncheon with Ernie Nevers, all-time football great of Stanford and pro fame, who was the featured speaker.

The ovation for Duffield came after he had been honored in a special ceremony as the first recipient of the "Order of the Bell of CampBELL" and also had been given a gift of a camera from his friends in Campbell.

John Faber, past director of the C of C presented the gift.

The standing ovation came after Duffield, deeply touched by the tribute paid him, had thanked his friends for their support during the past two years, without which, he said, the "record" could not have been accomplished.

Nevers, one of the greatest football players in all history, is now a director of the Oakland Clippers, professional soccer team plahing in the National Professional Soccer League.

A film showing soccer in action wound up Nevers' talk on the subject of "Why Am I in Soccer". The grid great explained that soccer allows the smaller athlete to play a professional sport which is the world's most popular sport outside of the United States.

Accompanying Nevers to the luncheon was Ben Oakes, also of the Oakland Clipper organization.

DESCRIBES SOCCER--Ernie Nevers, famed football player of Stanford and professional football ranks as well as a former professional baseball player, explained the fine points of soccer at the Chamber of Commerce luncheon last Thursday.

Nevers is associated with the Oakland Clippers, bay area entry in the National Professional Soccer League. George Vierhus, C of C president, is next to Nevers and Supervisor Ralph Mehrkens is on the far left.

On October 24, 1967

City calls for $3,200,000 bond issue

By a unanimous vote the City Council Monday night approved the "package" recommendation of the 64-member Citizens Advisory Committee with slight modifications for a $3.2 million six-year capital improvement program to be financed by a general obligation bond issue.

The long-awaited and much needed civic improvement program, hammered out through the coordinated efforts of the city administration and citizens groups over a long period of time, is expected to have far-reaching significance on the future of the community.

DATE SET

The City Council set October 24, 1967 as the bond election date and appointed the members of the Citizens Advisory Committee to a new group, the Citizens Committee for Improvement Bonds to work for the successful passage of the bonds next fall.

Included in the $3.2 million improvement program is $850,000 earmarked for the improvement and expansion of the seven-acre city-owned Rincon Park site including a community center building.

Combined police and city administration facilities call for $836,000. The program alsc specified $299,000 for fire station #2 and $40,000 for land acquisition for two other station sites.

Included also is $130,000 for the construction of facilities at the city's corporation yard.

The largest item ($1,045,000) is for streets and traffic safety and includes traffic signals and street lights, $220,000; pedestrian overpass at The San Tomas expressway at Rincon, (city's share) $25,000; and major and minor street improvements, $800,000.

Three legal steps were taken by the Council in putting the machinery in motion which approved the proposed capital improvement program and called the election.

Two of the resolutions involved, (1) adopting the six-year capital improvement program and (2) adopting the plan to finance the program through a $3.2 million bond issue, were approved unanimously.

FORMULA

But the third resolution which fixed the

Jim Tomlinson memorial

Planners award first scholarship on Monday

The first annual award of the Jim Tomlinson Memorial Scholarship will be made at the Campbell Planning Commission meeting next Monday, July 3.

The Planning Commission established the scholarship in memory of the late James Tomlinson who had served on the Commission from the time of its inception until his death.

The purpose of the scholarship is to aid students who are attending graduate schools in planning with preference going to those from Santa Clara County. The major emphasis in granting the award is placed on ability and interest in preparing for a career in planning.

Funds for the award come from donations and gifts from the friends of Jim Tomlinson and from those people in the area who are interested in assuring that those entering the planning profession receive the best training available.

The Planning Commission is hoping to make the award an annual affair and will gratefully accept gifts from those wishing to assure the continuation of the scholarship fund.

Mitchell Cushman, the recipient of the first award is a student in the graduate school at the University of Southern California in City and Regional Planning. The Planning Commission granted him the award after comparing his qualifications with those of several other students who had submitted their applications.

JIM TOMLINSON --in his memory

Cushman graduated from Claremont Men's College in 1959 and has completed two years of law study at the University of California Hastings College of Law. He plans to work in the bay area after completion of his graduate training.

At special ceremony

Jim Duffield receives highest honor, first "Order of the Bell of CampBELL"

The ribbon of office from Harry Lind

The symbolic "bell" from Dick Hardy

The first recipient with the "Bell of CampBell

Jim Duffield, Campbell Chamber of Commerce manager for the past two years who is resigning to accept a similar position in Desert Hot Springs, primarily for health reasons, is the first recipient of this community's highest award. "The Order of the Bell of CampBELL".

The presentation was made at the C of C luncheon meeting last Thursday.

The "order" was created to publicly recognize the outstanding record of achievements made by Duffield during his tenure as Chamber of Commerce manager.

Duffield was escorted to the head table for the presentation ceremony by Larry Hill, high school superintendent; Neal Royer, elemen-

Editorial

One solution

One of the important functions of the Campbell Chamber of Commerce is to strive to find solutions to existing problems of the community and to assist the city administration in achieving the overall goal of making a better city in which to live and work.

Admittedly at times this consists of generalities. But at other times specific recommendations are presented.

Recently the industrial committee of the Chamber of Commerce, headed by Lowell Grattan, made a survey of the so-called sub-standard area of "Gilman-Dillon-Railway" section.

The conclusions of the committee which have been submitted to the directors of the Chamber of Commerce and, in turn, will be forwarded to the City Council are worthy of note of all citizens.

Therefore, we feel that the report should be publicized:
Here it is:
SUBJECT: Recommendation for "Gilman-Dillon-Railway) Industrial Area
FROM: Industrial Committee, Campbell Chamber of Commerce
TO: Board of Directors, Campbell Chamber of Commerce

BACKGROUND

Long aware of the difficulties that have existed from both the city's and individual property owners' point of view in attempting to "upgrade" the so-called "Gilman-Dillon-Railway Industrial Area", the Industrial Committee of the Campbell Chamber of Commerce recently completed a study of the particular area to determine if some policy could be established that would result in a revitalization of this section of town that would be beneficial to all concerned.

The study of the committee included interviews with property owners, real estate agents and city personnel who were all familiar with the problems peculiar to the area.

The committee finds no fault with the present city policy in the condemnation of sub-standard buildings. It is also felt that once this policy is undertaken, it should be aggressively pursued to completion.

But it is also the committee's contention that the weakness of the present condemnation policy is that no special consideration has been given the property owner who is forced to remove his building and clear his land for rebuilding.

In most cities, the committee maintains, where such an aggressive condemnation program is carried out, funds are available from federal, state, county or city sources to aid the property owner in the removal and rebuilding as well as the installation of streets and utilities.

In some cities owners of sub-standard properties are paid a fair market price which, at least, exceed the cost. But in Campbell, the small property owner could conceivably lose his life savings along with his home, especially if he was not able to sell his lot quickly.

In addition, there are other factors and requirements in the present city policy which adversely affects this particular industrial area, and in the committee's opinion, has held back development.

These requirements include prior to the issuance of a building permit: (1) street dedication to 60-feet right of way; (2) a bond or payment of street widening costs; (3) a bond for landscaping; (4) drainage acreage fee; (5) fire hydrant costs; (6) parking areas.

The committee is of the opinion that these requirements are retarding building in this area. They add extra costs to the small businessman who may be able to purchase a reasonably priced lot and finance his building but the "extras" make it prohibitive for him to go ahead.

The committee feel that lots in the area are reasonably priced and can be purchased with a small down payment and a more lenient city policy for this particular area could stimulate development, long in a dormant stage.

RECOMMENDATION

The Industrial Committee suggests that the City of Campbell consider modification of the present policy and approve special considerations for this area.

These considerations would include:

1. STREET DEDICATION

The existing 50-foot right-of-way be established as standard, requiring no street dedication with a normal 40-foot roadway.

A five-foot building setback could be established, thus allowing 60-feet between buildings on opposite sides of a street.

(Incidentally, several property owners expressed vigorous opposition to being forced to give land to obtain a building permit.)

2. STREET IMPROVEMENT

Instead of a bond, it is suggested that some short form of agreement be executed between the city and property owner in which the property owner would agree to widen the street, install curbs, etc. within a certain specified period of time or enter into an assessment district for this purpose.

3. LANDSCAPING

Landscaping should be encouraged but without requiring a bond.

4. DRAINAGE FEE

Where sub-standard improvements have been condemned, drainage fees could be waived on the basis that the improvements have paid in taxes a share of storm drainage fees in previous years.

5. FIRE HYDRANTS

The city could attempt to pro-rate the expenses and contribute partially when a fire hydrant serves several parcels but is specified for a particular location.

6. PARKING

The committee suggests variances be granted so that buildings are not restricted to less than 40% of the lot coverage.

The Industrial Committee asks that these recommendations be approved by the Chamber of Commerce Directors and forwarded to the City Council.
Lowell Grattan, Chairman
Industrial Committee

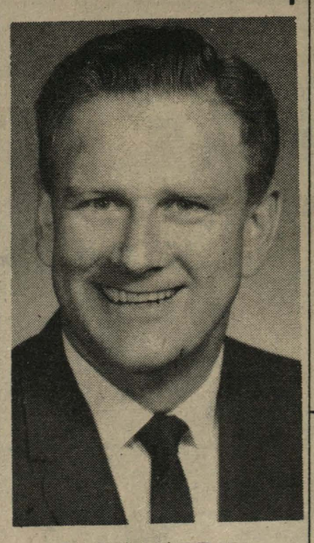
Hardy heads UF drive

Richard A. Hardy, vice president of The Ainsley Corporation in Campbell, has accepted the post of Campbell chairman for the Santa Clara County United Fund drive this year.

In his post, Hardy will coordinate the UF fund-raising operations in the business, commerce and industry, professional, education, and city employees division in Campbell.

The chairman and his volunteers will work toward a Campbell goal this year of $45,797, which is more than $4,000 over the amount raised last year. The new goal is in pace with the increased need for health and welfare services in Santa Clara County.

Funds which Hardy helps raise through his new UF post will be used to support United Fund's 77 non-governmental, charitable agencies serving those in the county. Because United Fund has been able to cut its administration and campaign costs to 7.4 per cent this year, nearly 93 cents of every dollar contributed will be used directly by the agencies.



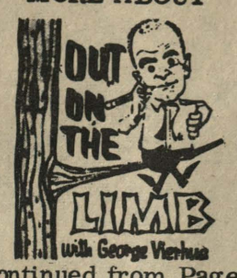
DICK HARDY
--heads drive

The new chairman is director of Santa Clara Valley Water Conservation District I, and director and immediate past president of the Campbell Chamber of Commerce.

Hardy is also public business and affairs chairman of the Kiwanis Club of Campbell, and a member of the Greater San Jose Chamber of Commerce. In addition, the community leader is a board member of the Del Mar PTA in the Campbell Union High School District.

Hardy resides in Campbell with his wife, Margaret, and the couple's three sons.

MORE ABOUT



(Continued from Page 1)

community.

In the future, it has been suggested dedicated citizens could be similarly honored.

-0-

THE IDEA MAY HAVE merit but the award to Jim was a spontaneous gesture, given because it was felt that he had rung the bell in CampBELL better than anyone ever had in this community.

No thought was given to the future or how a person would be chosen for the honor or what the qualifications would be, if the "Order of the Bell of CampBELL" became a part of this community's traditions.

But we concede, a little self-consciously, inasmuch as we must assume the bulk of the responsibility for its creation, that "The Order of the Bell of CampBELL" has a nice ring to it.

And quite an original one we might add.

Maybe something could be worked out, except we would have to be careful that we didn't run in a "ringer".

-0-

INCIDENTALLY, trying to find a bell that was suitable as well as symbolic, for the award for Duffield, was a trying chore.

Dick Hardy will agree from personal experience that going bell shopping leaves much to be desired, expecially when time was limited.

Of course, it would have helped, if we had known what we were looking for.

But, after all, you must remember, there was no precedent to follow.

You get sort of bell-happy after a while.

We learned that there are all kinds of bells, except the type that was wanted to symbolize an "order" that was being created.

Try explaining that to a clerk some time.

We were shown everything from Chinese gongs to elephant bells.

The bell that was awarded Jim, however, turned out to be what we were looking for.

But it took a while to find it.

Jim can even ring it on the Fourth, if he wants to.

MORE ABOUT

Jim Duffield

(Continued from page 1)

tary school superintendent; Councilman Homer Hyde; the Rev. Ben Gould; Police Chief John Morgan and Fire Chief George Maxwell.

The proclamation of achievement was read by George Vierhus, C of C president. The ribbon of office with bell attached was placed by Harry Lind, C of C vice-president while Dick Hardy, past president, presented the bell, symbolic of the "order". The bell was suitably engraved specifying Duffield's "rank" as "bell-ringer extraordinary".

The ceremony at the Chamber of Commerce luncheon meeting, which was Duffield's last in his official capacity as manager, was unprecedented in the annuals of this community.

No other individual has been similarly honored locally and no rules have been established as to how the "order" could be continued as a community tradition, if it was thought that others should be thus honored in the future.

The selection of Duffield and the presentation ceremony was all done in a spontaneous manner but a number of civic leaders since have indicated that it distinctly has "traditional aspects".

GILA MONSTER

The gila monster and the Mexican beaded lizard are the world's only poisonous lizards.

RAIN DROPS

With the close of the 1966-67 rain recordation season on July 1, Campbell Water Company records showed that the total rainfall for the year finalized at 25.06 inches, making this the wettest year since 1892, at which time 25.17 inches of rain fell.

Last year at the same time 12.03 inches of rain had been recorded with 14.71 inches as normal.

Although a record rainfall was received during the winter and spring months, no flooding occurred, due both to the wide spread of the precipitation and the large chain of dams and percolation ponds which controlled and contained the waters. Brimming lakes offer water sports enthusiasts ample opportunities during the summer months ahead.

MORE ABOUT

Bond election

(Continued from page 1)

policy of improving minor streets on a first come, first served basis with the property owners to be charged one-third the costs, was opposed by Councilman Charles Rose.

The formula had been recommended by the street study group, headed by Ralph Weymouth of the Citizens Advisory Committee. By this method, it was explained, more minor streets could be improved in town and also it was felt that it would be more equitable for all taxpayers, if those who would be benefitted the most would pay a share.

Rose advocated the deletion of the one-third-two-thirds formula.

The action by the City Council Monday night climaxed almost two months of intensive study on the part of the Citizens Advisory Committee, representing a cross-section of the community.

The committee, headed by Don Hebard, general chairman, and Mrs. Jeanette Watson, vice-chairman, had specified that the $3.2 million was the ceiling for the bond issue that could be financed by a 40-cent tax hike. The committee had presented a program calling for slightly less than the bond issue called for by the Council.

CHANGES

But the changes made by the city staff and approved by both the City Council and Planning Commission did not change the concept of the "package". The modifications were primarily based on new cost figures.

The action by the Council Monday night broke the $3.2 million bond issue into five categories:

a. Streets and traffic safety, $1,045,000
b. Parks and recreation, $850,000
c. Service center, $130,000
d. Police and city administration facilities, $836,000
e. Fire stations $339,000

Prior to the adoption by the Council of the capital improvement program and calling for the bond vote, members of the Citizens Advisory Committee were commended by the City Council for their dedicated efforts.

By resolution the City Council on behalf of the city expressed "sincere appreciation and heartfelt thanks for a job well done". In addition, members of the committee were awarded individual certificates of appreciation.

New assistant pastor named at St Lucy's

Rev. Charles Simpson has been appointed assistant pastor at St. Lucy's Catholic Church 2350 Winchester Blvd., Campbell, succeeding Rev. Milan L. Hlebs, who has been transferred to St. Cyprian's Church in Sunnyvale.

Fr. Simpson's last assignment was as assistant pastor at Star of the Sea Church, San Francisco.

At St. Lucy's he will be director of the C.C.D. program for high school and elementary public school children in the parish as well as assistant chaplain at Campbell Community and Los Gatos Community hospitals.

Fr. Simpson is completing work on his master's degree in theology at the University of San Francisco. He was ordained 17 years ago following completion of his studies at St. Patrick's Seminary in Menlo Park.

Planners face light schedule

Awarding of the first James Tomlinson Memorial Scholarship for planning will highlight the Planning Commission meeting next Monday, July 3, at which no public hearings, for the first time in months, have been scheduled.

On the agenda, however, are requests for approval of plans for a projecting roof sign for Campbell Billiards at 266 E. Campbell and also for remodeling of the building formerly occupied by Benson's Cleaners at 260 E. Campbell, submitted by Bob Raffanti.

Approval is also being asked for plans of a nursery school at 1063 Fewtrell Drive for which a use permit has been issued.

Application for approval for improving of an existing service station at Hamilton and Winchester submitted by Phillips Petroleum will also be before the commission.

MAIL THREATS

It was not until June 1948 that Congress enacted a law which made threats by mail against the president legally punishable.

City Council asks commission to remove "unfair" condition

Campbell councilmen struggled for more than two hours on Monday night in an attempt to resolve a "sticky" zoning problem involving conditions levied by the Planning Commission on a rezoning application for property at W. Hamilton and Llewllyn.

A majority of the councilmen indicated they favored removing the condition which specified that construction of the proposed service station and restaurant could not be started until after construction had begun on the commercial and office building included in the proposed P-D (planned development) zoning for the H. Bykowski property.

The Planning Commission had included the condition upon recommendation of Dick Hogan, planning consultant, after it was pointed out that in many instances in the past when P-D zoning was approved, the only construction that developed was a service station.

Mayor Ed Rogers spoke out strongly for this condition but the other councilmen felt that it was unfair because it had not been required previously.

City Attorney Joe Bonacina ruled that the City Council could not make any changes without first referring it back to the Planning Commission.

Councilman Ralph Doetsch, who had moved that the condition be deleted, then changed his motion to referral, requesting that the offending conditions be removed. Rogers was the lone negative vote on the motion. He first voted for the motion for the referral but changed his vote because the motion requested the removal of the condition.

Another condition of the commission would also be modified in a minor manner affecting the time involved when the existing structures had to be removed.

Fred Chez and Lowell Grattan, local developers, presented the proposal for the planned development on behalf of the Bykowski family. The plans included a Gulf Oil Service Station, a self-service market, an Orange Julius and office and commercial building on the property.

One of the problems in developing the property it was emphasized during the discussion was the shallowness of the parcels fronting on Hamilton.

Councilman Homer Hyde asked that the record show that efforts had been made to interest adjacent property owners on the south in a joint development but to no avail.

In other actions, the Council adopted an ordinance limiting the number of pool tables in bars or taverns, Councilman Bill Smeed voting no. First reading was given an ordinance pertaining to the storage and placing of disabled vehicles.

The Council also heard a report on the Winchester Drive-in Theater by Councilman Charles Rose.

Rose said that an on-the-spot investigation made by him and city staff personnel with theater officials indicated that the theater people would be cooperative in correcting the landscape problems and other faults that had been found.

ROTC OFFICER--Raymond L. Messa, son of Mr. and Mrs. Peter J. Messa of 1161 Virginia Ave., received his degree in Civil Engineering from Santa Clara University this month. He has also completed his ROTC training and commissioned a second lieutenant in the Corps of Engineers.

His first assignment is as executive officer of the new ROTC Summer Camp Program in Fort Lewis, Wash.

Messa is a 1963 graduate of Campbell High School.

Wisconsin nuptials for Luana Tipton

MR. and MRS. LOYALL C. ALLEN

The Central Lutheran Church in Chippewa Falls, Wisconsin, was the setting for the wedding of Luana Tipton of Campbell and Loyall Cyrus Allen. Rev. Donald Thorson officiated at the afternoon ceremony before a gathering of relatives and friends of the young couple.

Luana, daughter of Drs. Jesse and Lillian Tipton, 753 Hacienda Ave., Campbell was given in marriage by her father. She made a beautiful picture in her lace sheath over satin gown, featuring beadwork on the scalloped edges of her elbow length sleeves and attached train. Her silk illusion veil was secured with a floral headpiece and she carried a bouquet of white carnations, roses and stephonotis on her Bible.

Miss Lindsay Tipton, sister of the bride, was the maid of honor, and Elizabeth Allen, sister of the bridegroom, and Mary Molstad, were the bridesmaids. They were attired in powder blue gowns of silk organza over taffeta with matching blue illusion headpieces.

Ralph Allen served his brother as best man and groomsmen were Edward Solum, III, and James Allen. Ushers were Charles Allen and David Saxerud.

A reception was held in the church hall. The couple left soon after for a short wedding trip to southern Wisconsin and northern Minnesota. The newlyweds are making their home in Davenport, Iowa where the bridegroom will complete his studies at the Palmer College of Chiropractic.

Luana is a graduate of Campbell High School and Bryant and Stratton College, San Jose.

Couple feted on occasion of 25th anniversary

Mr. and Mrs. Hal Gibson, 868 Sweetbriar Dr., who recently observed their 25th wedding anniversary, were the guests of honor at a surprise dinner party hosted by their neighbors, Mr. and Mrs. Ford Whitney.

Highlight of the evening was the unexpected arrival of their daughter and son-in-law, Mr. and Mrs. Don Hutchison (Andrea Whitney) from Kingsville, Texas.

Another out-of-town guest was Bob McKinnon of Prospect Heights, Illinois. A delightful evening was enjoyed with a champagne toast for the anniversary couple after which a beautifully decorated cake was served.

The Gibsons have another daughter, Nancy, who is in the eighth grade. Gibson is employed by Pacific Motor Transport.

Former band leader plans music career

Howard Duckett, drum major of the BUCS Marching Band this past year at Campbell High School, was honored by the Campbell High School Music Department with the presentation of the American Music Foundation Award at graduation exercises. Accompanying the AMF award was a scholarship to the Berklee School of Music, Boston, Massachusetts.

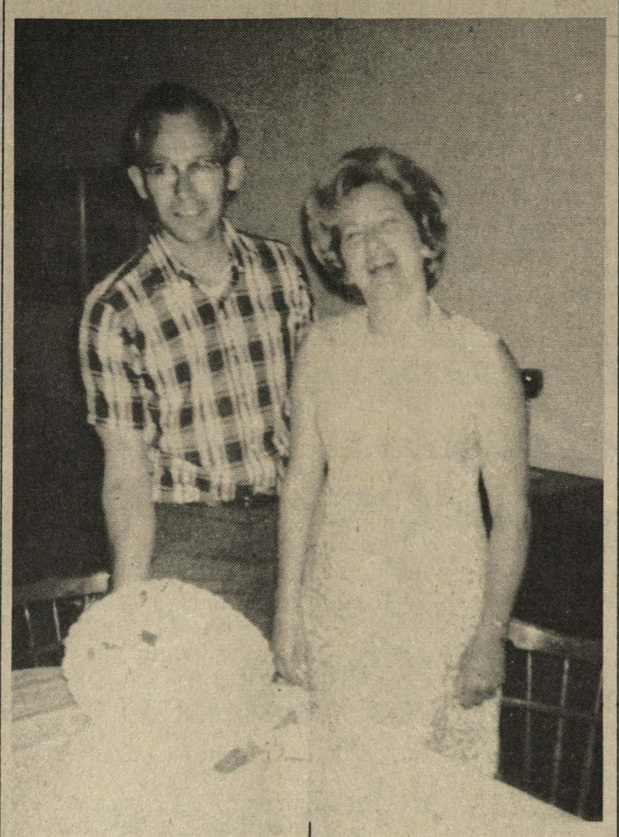
Howard has been a member of the Campbell "Saints" High School Dance Band, and a member of the Marching Band for four years. He was also a "standby" when needed to play certain instruments in the school orchestra.

His main instruments are the saxophone and the electric bass. However, he is very versatile and can play the clarinet and piano as well.

Howard is the son of Mr. and Mrs. John S. Duckett of 458 Budd Ave., Campbell. He received his Eagle Scout award in 1966 from Boy Scout Troop 332. He is also a member of the First Christian Church of Campbell.

The youth is a member of the Santa Clara County Musicians' Union and is fast becoming a polished musician and entertainer. He intends to make his career in the entertainment field.

A buffet reception was held at the Duckett home following graduation services. The family room was decorated with the school colors of navy blue and scarlet. A large gathering of friends and relatives were present to congratulate Howard, including his aunt, Miss Bessie Haynes of Parsons, Kansas. Miss Haynes is staying on for a visit with her two sisters, Mrs. Duckett, and Mrs. Elmer Hansen.



HAPPY ANNIVERSARY!--Mr. and Mrs. Hal Gibson display the beautifully decorated cake that was served at the surprise party given in their honor by Mr. and Mrs. Ford Whitney, 880 Sweetbriar Dr. Campbell.

Jean Gould plans August wedding

JEAN GOULD AND BILL CAMPBELL

Rev. and Mrs. William H. Gould announce the engagement of their daughter, Olive Jean, to William H. Campbell of this city.

Jean is a graduate of Chico High School and San Jose State College. She has taught physical education this past year at Wilcox High School in Santa Clara and has accepted a similar position at the new Branham Lane High School in the Campbell High School District. Her father is the pastor of the First Methodist Church of Campbell.

Bill is the son of Mr. and Mrs. Leonard Campbell of Campbell. He received his B.A. in physical education at San Jose State College and has been teaching physical education at Westmont High School in the Campbell High School District for the past three years.

The wedding will take place on August 6 at the First Methodist Church in Campbell.

Our Town

By Grace Hebard

FRED SWISHER of Campbell is attending the 1967 Annual Meeting of the California Society of Certified Public Accountants at Lake Tahoe...VERA OGILVIE of our fair city, will be the featured artist at the Los Gatos Art Association in July. She will give a demonstration in china painting at the monthly meeting, July 8.

TERRY BRINK, Campbell High School graduate, has been notified by admission officials at Claremont Men's College that he has won "honors at entrance." He is the son of MR. AND MRS. LEE L. BRINK, 1251 Capri Drive... Another Campbell grad, WALTER RITTER, has been awarded the GEMCO Scholarship, which will give him $1000 towards his education. Walter has been active in speech and debate at Campbell High and in dramatics. He plans to attend California Western University in San Diego. He is the youngest son of MR. AND MRS. KURT RITTER of 119 Alice Ave....

JEANETTE WATSON, vice chairman of the Campbell Citizens Advisory Committee, is in O'Connor Hosptial recuperating from surgery....POSTMASTER JAMES HURLEY and family are on vacation.

They're still laughing about the "switch" pulled by Campbell High School student speaker DAVE TURNER at graduation exercises. His prepared speech, full of eloquent words and inspirational thoughts, was approved in advance by the faculty. At the last minute Dave substituted an "ad lib" speech in which he poked fun at faculty and parents... all of which added a bit of good humor to the proceedings....

CLAUDIA ALEXANDER, a former Campbellite, and RICHARD SMITH, will exchange wedding vows on Saturday, July 1, at St. Mark's Episcopal Church. They are both students at the Davis Campus of the University of California. ...

Campbell Artists Guild made a terrific showing at the Valley Fair Show. They sold five pictures, won three club awards plus a second place "Over All Show Award." The winners were CLAIRE BITTLE, JUDY HOWLAND, SYBIL CHUN, and BETTIE ADAMS...

Have you noticed that new sign atop Campbell Travel Service at 389 E. Campbell Ave.? MRS. ORTI ALMGREN is their new "girl Friday" with the Dutch accent who can help you with your travel itinerary....

MR. AND MRS. BOB BULLARD, he is a local CPA, are enplaning for a week's vacation to Minnesota where they will visit relatives...

PTA News

Plans for fall projects and studies will be on the agenda of the bimonthly meeting of the Board of Managers of the California PTA, July 11-12-13, 1967. State president, Mrs. Laurence B. Martin of Los Angeles will preside at all sessions at the Statler Hilton Hotel in Los Angeles. Study committees and departments will meet prior to the general meetings in order to have additional time for study in their fields of interest.

A combined meeting of the public welfare, health and parent and family life education study committees will view the film, "Parent To Child About Sex". Improved sex education in the schools is con in the schools is a continuing concern of the PTA, and parents are interested in how to communicate with their children as to how and when the facts are taught in the home.

Mrs. Doyle Hoffman of El Monte, director of extension, will present plans for Statewide meetings in the Fall. A committee will be appointed to plan for the Workshops for first-year Council presidents held in the northern and southern parts of the State in October.

Recommendations for allocations for 1967-1968 scholarships, fellowships, and student loan programs will be presented by Mrs. Nelson Power of Los Angeles, Honorary Life Membership chairman, and Mrs. A.J. Williams of Oakland, student loan chairman. Funds for allocations to scholarships, fellowships and student loans increase as more individuals are honored for their outstanding service to children and youth through the purchase and donations to the Honorary Life Membership Fund.

A regular feature of the Board of Managers meetings are the three-minute reports by the presidents of the 33 Districts.

Stitching club plans outing

Plans for a picnic at Oak Meadow Park in Los Gatos were formulated by the Stitching Club of Ada Rebekah Lodge No. 223, I.O.O.F., when lodge members convened for their regular bi-monthly session. The picnic has been slated for July 12.

Entertainment for the evening, arranged by chairman Ora Lowe, was a skit in honor of Father's Day. Those taking part were Herman Rice, Ray Gilpatrick, Walter Silberbauer and Joseph Meckler. Julius Bachman was named Father of the Year. A gift of an electric coffee maker and a set of altar candles was presented to the lodge by the club's president, Mrs. Ora Lowe.

The next meeting will by July 18. Theta Rho Girls will serve a smorgasbord dinner in the Grange Hall dining room at 6 p.m. Donation will be $1. The public is invited to attend.

RUMMAGE SALE

San Tomas Mother's Club will hold a rummage sale on Friday, June 30, and Saturday, July 1, at 60 N. Santa Cruz Avenue in Los Gatos from 10 a.m. to 6 p.m.

There will also be a table of bazaar items and other articles that have been made by the Club members.

1 YEAR AGO

Having completed a thorough examination of the hefty city's budget on a page by page basis in a series of study sessions, as it was submitted by City Manager Bob Stephens, the City Council next Monday is scheduled to adopt officially the final budget totalling $1,891,634.

Gary Paske, 17-year-old son of Mr. and Mrs. Lawrence Paske has received a scholarship to West Point Military Academy. He will leave for New York on June 29 to report for indoctrination on July 1. The youth graduated last Friday from Campbell High School where he was active in sports.

That old bugaboo, "gasstationitis," broke out again in the Planning Commission Monday night. By a divided vote (3-2) the commissioners disapproved the "Planned Development" plans for the Walter Pruvich property on W. Hamilton Ave., because a service station was involved.

5 YEARS AGO

John Beyer has been awarded the Corson Award as outstanding senior man of the University of the Pacific. He is one of 437 to graduate at the University's 105th commencement.

The Department of Finance has estimated the population of Campbell was 14,450 on May 1. This increase shows that the City of Campbell is a fast-growing community.

Patricia Freudiger, Campbell High, Carol Beatyy, Los Gatos High and Elizabeth Trimble, Saratoga High, have been selected to represent their schools at the 1962 session of Girls State.

10 YEARS AGO

With the end of the fiscal year just a week a way, the City of Campbell this week received a check of $12,943.52 from the State Board of Equalization representing, the local sales tax collected during the first quarter of this year.

A $10,000 injury claim against the City of Campbell was rejected by the City Council Monday night but it was referred to the city attorney for review. The claim was filed by Robert C. Luhdorff on behalf of his 10-year old daughter, Sherrie Gail, who broke her arm when she fell into a hole on Hamilton Ave. made by workers in the street widening project. The fall occurred on June 1.

Stock fixtures ruined by the disastrous fire of the Towne Pride Mart, 515 E. Campbell Ave. Sunday evening will be completely cleared from the fire-wrecked building by tomorrow, Pete Lico, owner of the market reported yesterday.

15 YEARS AGO

Orchard City Grange, concerned with city roads and bridges being undermined by gravel operations in the vicinity of Page Dam and Camden Ave. bridge, adopted a resolution at their May 27 meeting requesting city officials to protect roads and bridges by preventing the removal of gravel.

Among Campbell residents receiving degrees from Stanford University last Sunday at the 61st annual commencement exercises held in outdoor Laurence Frost Amphitheater were: Dana Kent Clark, Paul Rembert, George Sanders, Craig and Neal Royer.

Bill Perry, manager of the Campbell High School swimming pool, reports the response to the Campbell High School District Summer recreation program has been much greater than anticipated. Since the start of the program Monday morning, over 500 students have reported for the morning swimming classes and 438 have responded for the afternoon recreation swimming period. "So many applications have been received," says Perry, "that we have had to reject some on the basis of age and height."

Obituaries

HENRY N. SCHWARTZ

Henry N. Schwartz, 75, 215 Casey Rd., Campbell, died in a local hospital of a heart attack. He was custodian at St. Lucy's School and had lived in this area for 18 years.

Schwartz is survived by his widow, Theresa, and three sons, Dr. Anthony Schwartz of Plattsburgh, N.Y., Raymond Schwartz of Oak Creek, Wis. and Dr. Ralph Schwartz of Darlington, Wis. He also leaves 13 grandchildren. Rosary was recited at Campbell Memorial Chapel and interment was in Kennan, Wisconsin.

REV. WELDON WOOD

An automobile accident in Winslow, Arizona, has claimed the life of Rev. Weldon Wood, former pastor of the Freewill Baptist Church in Campbell.

Rev. Wood, 40, and his wife, Alice, and their three children, were enroute to Oklahoma for a family reunion. Mrs. Wood and the children, Janet, 16, Bruce, 13, and Timothy, 7, are all reported to be released from the hospital and doing well. They will stay in Oklahoma until completely recovered.

The Woods reside at 55 S. Jeffers Way, and Rev. Wood had been pastor of the local church for five years. He was employed at J. M. McDonald's department store in Lawrence Square.

Funeral services were held in Ada, Oklahoma.

EDGAR M. SCROGGINS

Private funeral services were held Monday from Oak Hill Mortuary for Edgar M. Scroggins, 70, a retired machinist for Westinghouse Corp. He succumbed from an apparent heart attack at his home at 1256 Singletary Ave. San Jose.

Scroggins, who lived in this area for 22 years, was the father of Leonard Scroggins, Campbell High School teacher and former swim coach.

Other survivors include his widow, Maude A. Scroggins, and two grandchildren.

GORDON K. HAMILTON

Gordon K. Hamilton of 1093 Springfield Dr. Campbell died last week in a Cupertino convalescent home following a long illness. He was 74.

A former security guard at Food Machinery Corp. he is survived by three sons, PFC. John R. Hamilton of Georgia, George H. Hamilton of New Mexico and Clyde W. Hamilton of Oakland. He also leaves a daughter, Mrs. Mary A. Hartnell of Campbell.

Funeral arrangements were made by Campbell Memorial Chapel, with Requiem Mass at St. Joseph's Catholic Church, Cupertino. Interment was in Santa Clara Catholic Cemetery.

ON CAPITOL HILL

with "Charlie" Gubser

Webster defines a boomerang as "an angular club which can be thrown so as to return near the starting point." He could have added "as in the Post Office Department."

In recent months I have been working for a new postal annex for East Palo Alto and have constantly contacted the Post Office Department to keep track of my request. On June 19 I asked one of my staff for an up-to-date report on the status of the matter. Her memorandum in reply shows how a Washington bureau can take you through an entire circle with nothing to show for it.

"Memorandum to Mr. Gubser--Re East Palo Alto Postal Annex--2:00 P.M., June 19.

"Called Mr. W. M. McMillan, Assistant Postmaster General for Operations. Was informed that I should call Mr. Clarence H. Osthagen, Director of Space and Mechanization Requirements Division, Bureau of Operations.

"A clerk in Mr. Osthagen's office put me in touch with Mr. Ray Short who stated he had no information regarding Palo Alto in his office. He suggested a call to Mr. Amos J. Coffman, Deputy Assistant Postmaster General, Bureau of Facilities.

"Miss Dixon in Coffman's office said that the Post Office in Palo Alto was a government-owned building and due to budgetary limitations could not be expanded now. I reminded her I was calling about the Annex, a rented facility. Then she stated there were plans to build a new lease facility but no site had been selected, and recommended that I call Mr. Joe Russo, the Assistant to the Deputy Assistant Postmaster General, Bureau of Facilities. Mr. Russo contradicted Miss Dixon.

"3:15 P.M.-- Having gotten nowhere to this point, I again called Mr. McMillan's office. It was suggested that I talk to Mr. Dorsey of the Installations Management Division. Mr. Dorsey was not in and his office advised me to call Mr. Biglin. He was tied up in a meeting but his secretary recommended that I talk to Mr. Osthagen. So, like the boomerang I have wound up where I started and still don't have my answer. But they have promised that Mr. Biglin will call me.

"4:30 P.M.--Mr. Biglin hasn't called yet.

"June 22--Still haven't heard from Mr. Biglin."

This memorandum is not an exaggeration of the number of calls and runarounds which are often required to ferret out simple bits of information from Washington bureaucracy. For every person who can give direct answers to legitimate queries, there are dozens more who either pass the buck or don't know the answers. It makes one wonder if a top level management organization which can't directly answer a simple question is truly qualified to handle the millions of valuable and precious little pieces of paper which are daily entrusted to the U.S. Post Office. Perhaps the boomerang should become the symbol of Washington bureaucracy--it always winds up where you started--without an answer.

SERVICE NOTES

WITH FLEET

Seaman Apprentice Robert A. Borden, USN, son of Mr. and Mrs. Arthur C. Borden of 348 April Way, Campbell, is serving with the Seventh Fleet in the Western Pacific aboard the tank landing ship, USS Hickman County.

INFANTRY SCHOOL

BASIC TRAINING

Seaman Recruit Michael D. Smith, USN, son of Mrs. Maxine Smith of 2856 Joseph Ave., Campbell, is undergoing nine weeks of basic training at the Naval Training Center here.

SOCIAL SECURITY

Questions and Answers

U.S. DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE
SOCIAL SECURITY ADMINISTRATION
SSA-88041

SOCIAL SECURITY

Q. - My social security disability claim was disallowed because my disability was not severe enough to keep me from doing any work. Does the new law help me?

A. - No. You can get disability benefits only if you are unable to work because of your disability.

Q. - I am over 65 and still work full-time so I have never applied for social security retirement benefits. Do I need to do anything to qualify for the hospital insurance benefits?

A. - Yes. You should apply for your social security benefits now, even though you are working. When you apply, you establish your eligibility for hospital insurance benefits.

Q. - If I take reduced widow's benefits at age 60, will it be increased to the full rate when I reach 62?

A. - No. The amount of your benefit will remain the same, unless you did not receive benefits for all months before you are 62. In this case, your benefit will be adjusted at 62 to take these months into account.

Q. - Is my 63-year-old mother, who receives wife's benefits, eligible for hospital insurance benefits?

A. - No. Hospital insurance benefits start at 65.

Q. - Are there any hospital expenses that hospital insurance will not pay?

A. - Private duty nursing and luxury items such as TV or a private room (unless medically necessary) will not be paid for by hospital insurance.

Q. - How do I arrange to have hospital insurance pay my hospital or extended care facility bill?

A. - Always carry your medicare card with you. Just show it at the hospital or extended care facility when you are admitted and they will make application for payment.

Q. - Can I still sign up for the hospital part of medicare?

A. - Yes. Unlike medical insurance, there is no enrollment deadline for hospital insurance.

Q. - Can I have hospital insurance, even though I don't retire?

A. - Yes. Hospital insurance is for people age 65 or older, whether or not they are retired.

Coventry Drive remembers Vietnam service men

by Sally Howe

Some people have memories like elephants.

Others work like beavers.

A few are nocturnal, like the owl, and use their midnight hours to think.

The folks on Coventry Drive in Campbell REMEMBER a local boy in Vietnam every month.

They WORK to prepare the young man a package.

And it all started because one of the Coventry group stayed up one night THINKING and WORRYING.

The worrier is Mrs. Bob Burton. More than a year ago Mrs. Burton was awake late wondering what she could do for a friend of Bob, Jr.'s who was stationed in Viet Nam.

In the morning she spoke to a neighbor and then another and spontaneously, the "Coventry Group" went into action.

Each month, Mrs. Burton scours the newspaper or calls the Chamber of Commerce to get the name of a local boy serving in Viet Nam. Then she embarks on collecting a small donation from each neighboring family. When she has called each family, she turns the money over to Mrs. Peg Lander, who is chief shopper.

This month, Mrs. Lander proudly displayed purchases of many kinds of crackers, nuts, candy, olives, bouillon cubes, instant soft drink mix, shoestring potatoes, pretzels, tuna, sandwich spreads and peanut butter. A few of the articles were donated by local merchants and Mrs. Lander usually purchases a sports magazine to include.

Chief "packer" is Mrs. Lander's mother, Catherine Morrison, a former resident of the Lander household.

Mrs. Morrison, a soft spoken Scotswoman, described the letters which she sends along with the packages, "just telling the boys over there we're thinking about them."

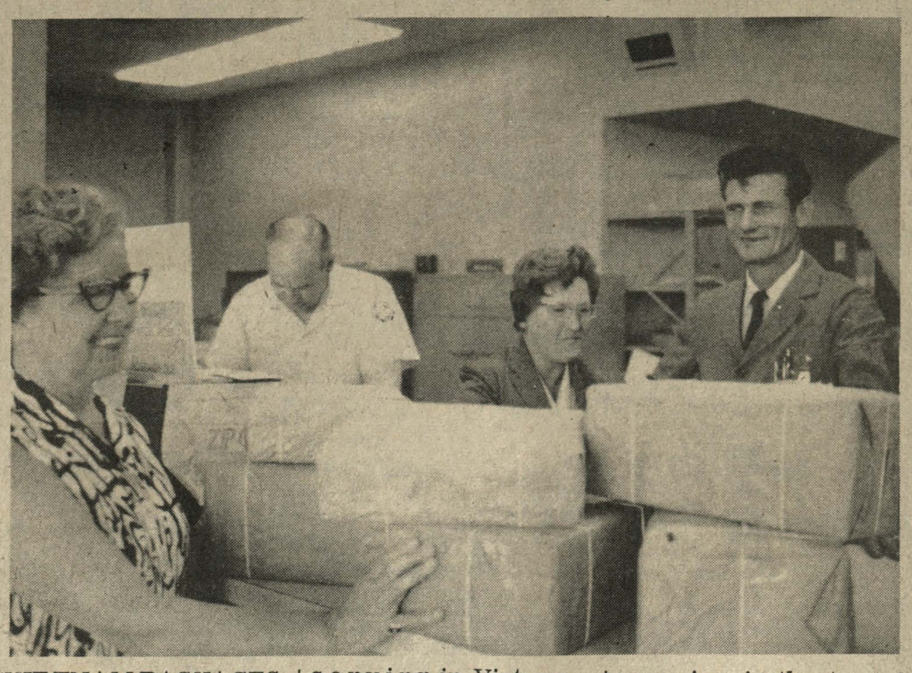
Almost without exception the recipients write a "thank-you." One young man wrote that it was "just like Christmas."

Once the packages are sent--there are usually four or five weighing under five pounds --the group turn their thoughts to the next name on their list.

Participating families are: Hanson, Lander, Dunlap, Alexander, Lawson, Aguilar, Titus, Herman, Faria, Johnson, Borchart, Petrie, Sexton, Black, Leishman, Valasco, Hatzenpillar, Strictland, O'Brien, Burton, Small, Morse, Morrison, Rogers and Andres.

The group lets no hint of politics, religion, or any controversy enter into their project.

They just REMEMBER, WORK, and THINK.



VIETNAM PACKAGES --Mrs. Catherine Morrison (left) 200 W. Hamilton Ave., is pictured at the Campbell Post Office with the packages ready for mailing to local boys serving in Vietnam. Dean Cavit, Vondelle Kennedy and Jim Peoples (left to right) of the Campbell Post Office, give her an assist. Anyone with names of local boys serving in the Armed Forces in Vietnam is invited to call Mrs. Peggy Landers, 378-0995, and they will be remembered by this neighborhood group.

GOING ON A JOURNEY--The foodstuffs in this picture are going to Viet Nam. They are going to a Campbell boy stationed there. They are going because 25 families on Coventry Drive in Campbell want the boys to know they are remembered. Mrs. Catherine Morrison prepares to begin her monthly volunteer task of packing the "Treats".

Helen Caswell will give art demonstration

Guest artist Helen Caswell will give a demonstration of techniques used in oil portrait painting at the next meeting of the Campbell Artists' Guild, July 13, at 7:30 p.m. The public is invited to attend the meeting at the Community Gallery, St. Lawrence Episcopal Church, 65 West Rincon Avenue, in Campbell.

Mrs. Caswell, who studied at the University of Oregon's Fine Arts School, has several one-man shows each year.

During the month of July her work will be on exhibit at the Paint Brush Gallery and a reception will be held at the gallery July 9 for the artist.

West Rincon homeowners to celebrate

The West Rincon Homeowners Association is planning a gala Fourth of July celebration. Hoping to start a tradition in the area, the families will hold a kiddie costume parade beginning at 11 a.m. The parade will form on Wren Way at 10:30 and there will be prizes for the best costumes, decorated bikes, pets, etc.

In the afternoon beginning at 4 p.m. the Association will hold a barbecue with each family bringing their own picnic basket. The area in Middletown Court will be blocked off for this and a fireworks display.

Fred Scibuola, executive secretary of the homeowners association, reports that the organization has just completed a successful spring clean-up. Mile Malane is president.

THE ROCKY MOUNTAINEERS--In 1933 Ebb Bohn (lower left) was a member of this singing group, the Rocky Mountaineers, in Inglewood, Calif. The handsome young guitarist kneeling at right was Len Slye, better known a few years later as Roy Rogers.

GRANGE MEMBER VISITS ROY ROGERS--Ebb Bohn, long time Campbellite and lecturer for Orchard City Grange, is pictured with Dale Evans and Roy Rogers in their Apple Valley, Calif. home. Back in the early thirties Bohn was a member of a singing group "The Rocky Mountaineers" with Rogers.

Crandall heads faculty senate

Jerry R. Crandall, English instructor, has been elected president of the West Valley College Faculty Senate.

He succeeds Gerald Shiveley, language arts instructor, in the position.

Crandall, one of the faculty is also one of the founders of the local chapter of the California Junior College Faculty Association, and was recently elected to that body's statewide Board of Governors, which is active in influencing Junior College legislation before the State Legislature, Crandall said.

He has a Master's degree from the University of Oregon, and taught at Southwest Oregon College, Coos Bay, Ore., where he served also on the Faculty Senate, before coming to West Valley College.

The Faculty Senate currently represents 108 faculty members at the college, with more to be added for the 1967-68 school year. Crandall is married and lives at 3160 Cadillac Drive, San Jose.

He said the Faculty Senate concerns itself with matters of salary, benefits, college philosophy, curriculum, class load and possible grievances. Its members are elected at-large from the Faculty Association, which is composed of all certified personnel who do not require administrative credentials.

Other members of the Faculty Senate are John Fleming, Chuch Moran, Lou Dreyfous, Shively, Phyllis Williams, Edith Zanotti, Chuck Tyler and Bob Rowe.

Campbell kin takes part in memorial services

Mr. and Mrs. Frank Blaine, 91 S. Fourth Street, were among the 250 descendants of William Campbell who gathered on Memorial Day in Porterville for a special Memorial Day tribute to the veteran of the War of 1812 and the father of Benjamin Campbell, founder of the town of Campbell.

Frank Blaine, as one of the descendants, laid a wreath on the grave of the early day pioneer who died at the age of 95 while attending a wedding in Porterville in 1888. Because it was impractical to ship bodies long distances at the time, burial took place in Porterville, rather than in the Campbell area.

William Campbell, as a youth of 19, fought in the War of 1812. He was born in Kentucky in 1793, while George Washington was president. After the War of 1812 he established a tannery in Kentucky which he sold in 1839 and moved to Missouri, and from there in 1846 set off for California with a wagon train of about 250 wagons.

On arriving in California he established a saw mill in Saratoga and later a son, Benjamin returned to Missouri for his bride and then returned to the Campbell townsite with friends. Another son, David, moved to Tulare County where descendants are still living. It was a wedding in this branch of the family that the elder Campbell was attending at the time of his death.

It is estimated that approximately 1,000 California residents could trace some relationship to the Campbell clan.

The Memorial Day services were under the auspices of the Porterville American Legion and the Daughters of the War of 1812.

State Dept. offers jobs in Vietnam

Local residents interested in working in Vietnam and other free world countries are invited to send their resumes to the Agency for International Development, Vietnam Recruitment, Washington, D.C. 20523.

Salaries range from $4,700 to $19,000 per year plus 25 percent hardship bonus (Vietnam), furnished quarters, and other benefits.

Positions available include Area Development Officers, Assist. Area Development Officers, Provincial Agriculture Advisors, Vocational Education Advisors, Health Education Advisors, Economists, Registered Nurses, Personnel Officers, Civil Engineers (Construction), Management Analysts, Development Loan Officers, Systems Analysts (ADP), Public Administration Advisors, Agricultural Specialists and Secretaries.

Obituaries

EDITH MAE ZAUSEN

Funeral services were held at 11 a.m. today from Campbell Memorial Chapel for Mrs. Edith Mae Zausen, 52, Moreland District librarian for the past six years. Mrs. Zausen succumbed in San Francisco on June 25 following a brief illness. At the time of her death she was school librarian at Castro Junior High School.

A native of Corning, Calif., Mrs. Zausen resided at 1301 Westmont Ave., Campbell. She is survived by her husband, John P. Zausen, and two daughters, Linda and Joan.

She was the daughter of Mrs. Anna Womacks of Corning and sister of Alice Gunnells of Los Gatos, and Ruth Ten Eyck of Corning. She was a member of the Campbell Methodist Church. Rev. William Gould officiated at the funeral services. Interment will be in Corning, Calif.

Vacation check list to protect home offered by police department

Aware that during the summer months there is an "upswing" in burglaries and other "unlawful" incidents throughout the city, Police Chief John D. Morgan this week called attention to the problems that arise during the vacation months and offered suggestions that citizens could follow that would help the situation.

Here is the recommendation from the Campbell Police Department:

With the vacation season upon us, the Campbell Police Department urges all home owners to help to alleviate the surge of burglaries when families leave their homes for their vacation trips. By practicing a few home protection hints residents can keep their homes from falling victims to a vicious intruder.

We would also strongly suggest that you notify the Campbell Police Department so that you may avail yourselves of this Department's vacation check program.

Listed below are some of the precautions home owners should take:

Close and lock all doors, including porch, basement and garage. Use Pin-tumbler cylinder locks on outside entrances and safety latches on the windows.

Connect a lamp to an automatic timer to turn lights in the home on and off each evening.

Protect all doors and windows with an inexpensive, portable burglary alarm which sounds whenever someone attempts to break in.

Light up your porch and yard with outdoor lights to increase the likelihood that an attempted burglary would be seen. These lights tempted burglary would be seen. These lights can also be timer-controlled, if desired.

Be sure all screens are fastened from the inside.

Never leave valuables lying around; keep them in a safety deposit box, and if you're leaving for a week-end or longer--

Notify your police department when you'll be leaving and how long you expect to be away.

Cancel all deliveries, such as milk, laundry, cleaning, etc. Also, be sure to discontinue the newspaper or arrange to have it sent to your vacation address.

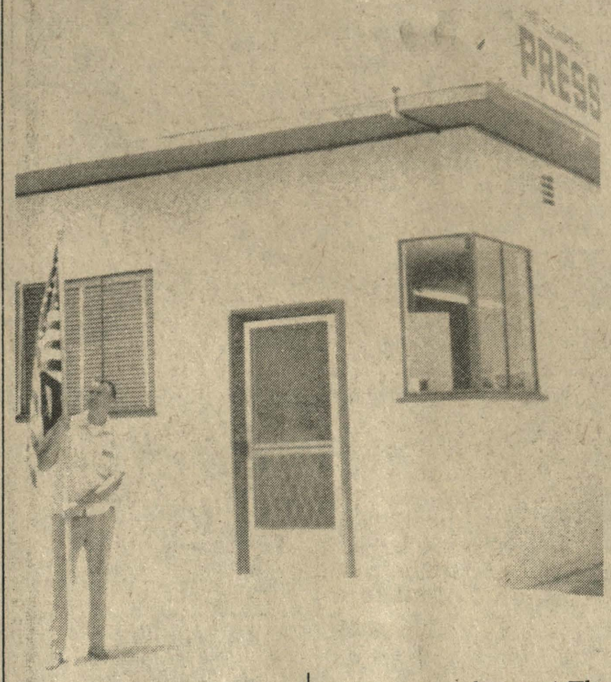
Have a neighbor, or your post office, hold all mail until your return.

Arrange with a friend to mow the lawn and sweep your sidewalk once a week. Also ask him if he'll pick up any circulars or handbills that may be left on your porch.

Leave all your shades and blinds as you normally do; closed blinds keep the sun out, but also make an effective screen for the burglar.

Never advertise your departure with an item in the local paper. Give the story about your vacation to the newspapers after you've returned.

There have been 44 residential burglaries already this year. With this vacation season upon us, we ask your cooperation.



FLAGS TO FLY--Members of the Campbell Jaycees completed installations for 14 flags in the sidewalk in front of business firms in Campbell. The flags will be flown for the first time on the Fourth of July.

The Jaycees hope to have six more installations ready by the Fourth. Under the chairmanship of Gary Ackerman (above at The Campbell Press office) the Jaycees offer the flag service to local merchants for $15 for the first year and $10 per year in the future.

The Jaycees furnish the flags, store them and put them up for designated holidays. Their goal is to get at least 50 flags flying in the business districts every holiday.

SEVEN DAYS TO FASTER READING by William S. Schaill
This book is a thorough course in faster reading, set up to be accomplished in seven short days. Each day's instructions are a step toward success for the person who wishes to improve his reading as well as his understanding and enjoyment of what he reads.

THE NEW LEFT, The Resurgence of Radicalism Among American Students by Phillip A. Luce.
The New Left exposes the role of the Communist Party in setting up the DuBois Clubs of America, the relationship of the Maoist Communists with the Progressive Labor Party, and also tells why students are drawn to the "New Left." It presents many practical suggestions for countering the appeal of the "New Left" and combating the Young Communists.

GOOD OLD HARRY, the Wit and Wisdom of Harry S. Truman by George S. Caldwell.
Throughout forty years of public service Harry Truman voiced the hopes and fears of his county, state and country in colorful language. In this book is the barbed wit, the Missouri common sense and the anger and warmth found in his speeches, interviews, letters and memoranda. Also there are many photographs and anecdotes which illuminated each phase of his life.

WHITE HOUSE NANNIE, by Maude Shaw
Maud Shaw, an Englishwoman from Kent, is one of a famous, fast-disappearing and very special kind of governess--the English nannie. She came to the Kennedys just before the birth of Caroline, when John Fitzgerald Kennedy, was still a promising young Senator. And she stayed with the family through triumph and tragedy for seven unforgettable years.

.....

THE MAN IN THE GLASS BOOTH, a novel by Robert Shaw
The story begins in New York, in the fall of 1964, when the world's press reports that the Vatican Council is proposing to exonerate the Jews of deicide. This "news" arouses the fierce derision of an extraordinary old man who calls himself Arthur Goldman. A novelist of high originality, Robert Shaw has produced a narrative of power and hypnotic intensity.

.....

FIVE WOMEN I LOVE, Bob Hope's Vietnam Story
A week before Christmas, while Santa is checking his south-only maps, Bob Hope, the knight before Christmas (and a few days after), rises from a Southern California airstrip, dips his wings in tribute to the USO and the Pentagon brass and flies west. This is Hope's own story of his trip and its proof that you don't need to go to Vietnam to be entertained by Bob Hope.

.....

THE COMPETITOR, a novel by Thomas Bontly.
This is the story of one critical day in the life of a trapped man, a salesman thirty-four years old, whose hopes and ambitions have aborted, an honest man corrupted by a dishonest business. Authentic and deeply moving, it represents one reality of the American Dream.

NOTICE OF TRUSTEE'S SALE

VTC - 137740

On Monday the 10th. day of July, 1967 at 10:05 a.m. on the front steps of the Santa Clara County Court House, North First Street entrance, in the City of San Jose, County of Santa Clara, State of California, VALLEY TITLE COMPANY, a corporation, Trustee, will sell at public auction to the highest bidder for cash, in lawful money of the United States, the following described real property, situate in the County of Santa Clara, State of California, and described as follows: All of Lot 13, as shown on that certain Map entitled, "Tract No. 1828 Dry Creek Ranch," which Map was filed for record in the office of the Recorder of the County of Santa Clara, State of California, on March 26, 1957 in Book 76 of Maps, at page 44.

Excepting therefrom the underground water as granted in the Deed from City Title Insurance Company, a corporation, to San Jose Water Works, a corporation, by Deed dated April 17, 1957 and recorded April 19, 1957 in Book 3779 of Official Records, page 577.

Said sale will be made to satisfy the obligations secured by, and pursuant to the power of sale conferred in that certain deed of trust executed by Calvin B. Clemmons and Nancy B. Clemmons, his wife, as trustors, to Valley Title Company, a corporation, as Trustee for Lionel Leiter and Lois R. Leiter, his wife, as joint tenants, as beneficiaries, dated July 27, 1966 and recorded Aug. 4, 1966 in Book 7463 of Official Records, at page 631, records of Santa Clara County, California.

Notice of Breach of said obligations and election to sell real property was recorded in the Office of the Recorder, said County and State on March 10, 1967 in Book 7662 of Official Records, at Page 309.

This Notice is given in compliance with the written application made to the Trustee by said present Beneficiary.

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN THAT sealed bids will be received by the Governing Board of the West Valley Joint Junior College District of Santa Clara and Santa Cruz Counties, California, at the office of the Dean of Business Services of said District, 51 East Campbell Avenue, Campbell, California until 4:00 p.m., Pacific Daylight Savings Time, July 5, 1967, at which time and place bids will be opened and publicly read aloud for the furnishing, installing and operating for said District.

BID #1 -6768 FOOD SERVICE FACILITIES

Said facilities noted above shall be furnished and operated for said District in accordance with the specifications therefore previously approved. Said terms of furnishing and operating shall be in accordance with the general conditions and contract on file in the Business Services Office of said school district to which reference is hereby made for greater particularity.

Each bid must conform to the requirements of the general conditions and contract and all other documents. The documents may be examined and copies obtained at the Office of the Dean of Business Services, 51 East Campbell Avenue, Campbell, California.

The District shall reserve the right to hold any and/or all bids for a period not to exceed thirty-five (35) days.

No bid will be considered unless it is made up on a form provided by the West Valley Joint Junior College District and accompanied by a certified check, cashier's check, or money order, in the amount of One Thousand Dollars and No Cents ($1,000.00), made payable to the West Valley Joint Junior College District. The above mentioned check or money order shall be given as a guarantee that the bidder shall enter into a contract subject to the terms and conditions set forth in the bidding documents within five (5) days after the notice of the award of bid and further that the bidder will complete the necessary installation of equipment, food supplies and personnel and be completely operative by September 11, 1967.

The Governing Board of the West Valley Joint Junior College District reserves the right to reject any and all bids and/or waive any irregularities in the bidding.

Summer music program opens July 5 at Campbell school

Campbell Elementary School District is again offering a challenging and enjoyable program for students interested in learning a musical instrument. The five weeks program of daily classes from 9 a.m. until noon begins July 5 and ends August 4.

As much as a half-year's normal progress is made in the daily classes, with individual help, orchestra and band participation.

The instructors will be Edward Tonini, Wally Johnson, Don Bryant, Joe Cathy, Camille Piazza and Ray Johnson. A recreation program will also be offered featuring a full time professional recreation director who will oversee the games and outdoor activities. On July 26 students will be transported in a supervised group to see the Ice Follies. This is a highlight of the summer program. On Wednesday, August 2, all students will combine to present a concert for the public.

Students from incoming fourth graders to outgoing eighth graders of Campbell District are eligible. Schools not in Campbell District are eligible with a $5 additional fee and they must provide their own transportation.

Students must furnish their own instruments. Instruction will be given on all orchestra and band instruments. (Piano, guitar and accordian are not offered in this program.)

The cost of the program is $17.50 for each participant which includes class instruction, materials, (books and sheet music), and transportation to and from Campbell Elementary School.

For further information call 378-3405.

COMMENCEMENT DIGNATARIES--Waiting for the third annual Commencement exercises at West Valley College to begin are (left to right) Robert W. Brydon, chairman, Board of Trustees, College President Dr. Wallace W. Hall, Dr. Dean E. McHenry, Chancellor, University of California, Santa Cruz and commencement speaker, and the Rev. John M. Lally, St. Lucy's Catholic Church, who gave the invocation and benediction.

15 students get straight "A's"

Fifteen full-time students at West Valley College recorded straight "A" grades (a 4.0 average) for all of their courses during the spring semester, Jerry H. Girdner, dean of student personnel services, has reported. In the fall semester there were nine straight "A" students.

Five of the students are from San Jose, five from Los Gatos, three from Campbell, and one each from Santa Clara and Sunnyvale.

From Campbell, straight "A" students are Carol M. Peterson, Terry E. Raine and Mary A. Smith, while Santa Clara is represented by Marlene M. Lopez and Sunnyvale by Daniel F. McNeil.

Those from San Jose are: Mrs. Carol J Berge (class valedictorian), who graduated from West Valley College with a 3.95 grade point average for all of her classes, the highest in the college's history, Adaline M. Empet, Darrell B. Furnish, Joyce A. Henderson, Anite M. Suefert.

Los Gatos representatives are: Helen I. Cain, Lea F. Frey, Irene C. Hageman, Richard T. Prosser and Kathryn A. Swift.

In addition, Girdner said, a total of 261 students, or 13 per cent of the daytime enrollment carrying 12 or more units, made the "Dean's List" requiring a 3.00 or "B" grade average or above.

In the fall semester, with a much higher enrollment, 258 students made the "Dean's List", Girdner said.

Part-time students, those carrying from six to 11 1/2 units, reported in with 380 on the "Dean's List", as compared to 298 on the same list in the fall semester.

Girdner also reported that among part-time students, 32 in the Extended Day program chalked up straight "A" or 4.0 grade point averages, while 26 students attending day classes on a part-time basis also record straight "A" averages.

CAMPBELL GRADUATE--Gloria Guerra, daughter of Mr. and Mrs. Mark Guerra, 490 Sunnyoaks Ave., gets a particular handshake from fellow Campbellite, Robert W. Brydon, chairman of the Board of Trustees of West Valley College, as he presents her diploma during commencement exercises held on the temporary Campbell campus.

Gloria was one of 279 students who received associate in arts or associate in science degrees.

Council adopts preliminary tight fiscal year budget

By a 4-1 vote, the City Council Monday approved the preliminary budget for the next fiscal year totalling $1,814,697, with the hope that before the final budget is adopted in August that the city's deficit picture will not be so gloomy.

The councilmen during the past several weeks have met in a series of budget sessions in which they went over the budget submitted by City Manager Bob Stephens in an attempt to blue-pencil enough items to eliminate the deficit. But the slashes made were only minor ones.

They have emphasized that they intended to hold the line at the present tax rate which meant that the budget would be devoid of "frills" of any description.

Councilman Charles Rose cast the lone negative vote on the budget, a practice he has followed for the past three years.

With the tentative operating budget out of the way, at least for the time being, the council adjourned until this Thursday at 4 p.m. when the matter of salaries and classification of personnel will be up to bat.

Three times during the long session on Monday night which lasted until past midnight, the council divided on a 4-1 vote.

However, the councilmen early in the evening, with a great show of unanimity praised Jim Duffield for his record of achievement during the past two years as C. of C. manager.

Duffield is resigning to accept a similar position in Desert Hot Springs. A resolution was unanimously adopted commending Duffield, who in turn took the rostrum to thank the councilmen for their cooperation.

Post office trains girls to carry mail

Have you noticed lately that there are several attractive young ladies delivering mail in the downtown area of Campbell?

The girls are clerks from the Campbell Post Office, who are receiving auxiliary training to "fill in" when needed. Ruth Fine, Mary Allen, Barbara Hooper, Lillian Garner and Betty Smith may be seen here and there pushing the mail cart down Campbell Ave. or Winchester Blvd. They are not in uniform, as this is only a temporary assignment and they will be used only in case of emergency or vacation relief.

Somehow it isn't so bad receiving those monthly bills when they are presented by a pretty girl in capri pants.

LEGAL NOTICE

No. 1331SC

NOTICE OF TRUSTEE'S SALE

NOTICE is hereby given that on Wednesday, the 5th day of July, 1967, at the hour of 10 o'clock A.M. at the front entrance to California Plan, 3147 Stevens Creek Blvd., in the City of Santa Clara County of Santa Clara, California, EXCHANGE SECURITY CORPORATION, a California corporation, as Trustee, will sell at public auction to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situate in the City of Campbell County of Santa Clara, State of California, and described as follows:

ALL OF LOT 26, as shown upon that certain Map entitled, "TRACT NO. 2821", which Map was filed for record in the office of the Recorder of the County of Santa Clara, State of California, on May 2, 1961 in Book 132 of Maps, page 14.

EXCEPTING THEREFROM the underground water, as granted in the Deed from City Title Insurance Company, a Corporation, to San Jose Water Works, a California Corporation, dated June 8, 1961 in Book 5193 of Official Records, page 227.

Said sale will be made, without covenant or warranty regarding title, possession or encumbrances, to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain deed of trust executed by BILLY E. MC CLINTOCK and ROSANNE E. SECURITY CORPORATION, a California corp. as Trustee, for the benefit and security of RICHARD S. WILLIAMS, dated July 20, 1965, and recorded July 22, 1965, in Book 7040, Page 376, Official Records of the County of Santa Clara, State of California.

Default was recorded January 31, 1967, and appears in Book 7628, at Page 93.

Campbell's goal is $45,797 for United Fund

Campbell's goal for the Santa Clara County United Fund drive this year is $45,797, Central Area Campaign Chairman Fred R. Gloeckner has announced.

Campbell is one of the 11 communities included in the Central Area Chapter, which has a goal this year of $1,665,432. Other communities are: Saratoga, Cambrian Park, Cupertino, Monta Vista, Los Gatos, Monte Sereno, Milpitas, Alviso, Santa Clara and San Jose.

Last year, residents of Campbell met the rising needs of their community by contributing a total of $41,679, completing the drive with three per cent over their goal.

"We will have to work together for that same success this year. United Fund is now soliciting for 77 health and welfare services, and these agencies are finding a greater demand for services as the population increases," says Gloeckner, plant manager of the General Electric Plant in San Jose.

"We can meet this critical need for services by pledging our fair share this fall. A 'fair share' gift is considered to be one hour's pay per month for those earning less than $10,000, and one per cent of the annual salary for those earning $10,000 and more," explains Gloeckner.

United Fund's ccunty-wide goal has been set at $2,726,578, which is a 9.9 per cent increase over the previous collection of last year.

Obituaries

Funeral services will be held this afternoon at 1:30 for Albert F. Zimmer, 64 who passed away Monday in Santa Clara.

A native of Volta, California, Zimmer resided at 104 Victor Ave. He is survived by his wife, Ruth A. Zimmer, a son, Roy S. Zimmer, both of Campbell and a daughter, Mrs. Luella Cockrum of San Jose. He was also the brother of Leonard Zimmer, Turlock; Mrs. Florence Wollverton, Sacramento and Mrs. Ester Orr of Placerville. Nine grandchildren also survive.

Zimmer was employed as an electrician at the San Jose State College prior to his final illness. He was a member of the Morning Light Lodge No. 41, I.O.O.F. of Campbell; Ada Rebekah No. 233. Campbell; Electrical Brotherhood of San Jose, No. 332 and a member of California State Employees Assn.

Final services will be conducted by the Morning Light Lodge from the Darling Fisher Faber Campbell Memorial Chapel.

What do you do when you have a flat on freeway

Do you know what to do if you have a flat tire while driving on a freeway?

"Don't just stop and change that tire," Captain R.P. Bliss of the California Highway Patrol said today. "If you do, you may place yourself in great danger and may even cause other accidents.

"The proper procedure to follow is to move your car to a place of safety before stopping. This may mean ruining a tire, but it may also mean saving your life.

"The shoulder of the freeway, if there is usually is a safe stopping place, but if there is no shoulder you should leave the freeway before stopping. It is highly dangerous to stop in the center divider strip because it is too close to the high speed traffic lane for safety."

"Freeways are no place for stopped vehicles," Captain Bliss asserted. "If you must stop, do it clear of traffic.

District No. 4 increases fees

Effective July 1, the unit connection fees of County Sanitation District No. 4 will again be increased 10 per cent of the base charge set forth in the ordinance, according to Steve Goodman, district engineer-manager

Ordinance No. 25, calling for a 10 per cent increase in unit connection fees each year, was adopted by the Board of Directors in June 1965.

Connectors to County Sanitation District No. 4 sanitary sewer lines will find that unit connection fees for average residence will have increased from $44 to $48.

County installs testing device for gas pumps

An efficient device to test the accuracy of retail gasoline pump meters was put into service this week by the Santa Clara County Sealer's office.

Mounted on a small van, the new Retail Gasoline Service Station Testing Unit is the first of its kind in use locally, according to County Sealer Robert W. Horger.

State law requires that all gasoline pumps be checked out at least once per year and more often if necessary. The van, which can test three pumps simultaneously, is expected to increase the number of checks possible, particularly at high volume stations.

During the past five years an average of 2 1/2 service stations per week have opened in the County, greatly increasing the pump inspection workload. Horger said the new unit will cut work time 25-30 per cent, enabling the testing of 45-50 pumps per day.

In addition to routine annual checks, the Unit is also used for inspections upon request of either customer or seller, according to the Sealer.

Reserve officer from Campbell takes course

Major John H. McDonall of Campbell, has completed the final two-week phase of the Army Reserve School Associate Command and General Staff course at Ft. Leavenworth, Kan.

The graduation marked the end of five years of study for him and more than 300 other officers who were given associate degrees from the Army Command and General Staff College at the fort.

The course is designed to prepare officers for duty as commanders and general staff officers in divisions or logistical commands and to familiarize them with the duties of the general staff at corps and Army levels.

Major McDonall and his wife, Winifred, live at 3798 Century Drive, Campbell.

He received his B.S. degree in 1948 from the University of California at Berkeley, and his M.B.A. degree in 1965 from Santa Clara (Calif.) University. He is attending Purdue University, Lafayette, Ind.
